## DIRECTIONS FOR ORDERING PARTS

*Number.* Grey iron, malleable and brass parts have the number on them. If number is unknown, refer to cuts of parts on pages 27 to 48.

*Description.* Read carefully, noting any sizes given and other information.

*Bolts and cotters.* Although mentioned in connection with some parts they are not included in the price, unless the word "*with*" indicates it.

When you order by letter, give number and description of part, number and year of machine.

If by wire, give number only. Prepay telegrams. *Don't mix orders with your letters. Don't forget to date and sign your order. Give your P. O. address.*

*Directions for shipping.* Parcels Post will carry packages up to 70 pounds in weight in the first two zones, and up to 50 pounds in all, and measuring 84 inches in length and girth combined. We ship by Parcels Post or Express unless you order shipment by freight.
